Re: QCX LLC – Certification Pursuant to CFTC Regulation 40.6(a): Polymarket US Amended Incentive Program

Dear Mr. Kirkpatrick:

QCX LLC d/b/a Polymarket US ("Polymarket US" or the "Exchange"), a designated contract market ("DCM") registered with the Commodity Futures Trading Commission (the "Commission" or "CFTC"), hereby files this notice pursuant to CFTC Regulation 40.6(a). This filing notifies the Commission of amendments to the existing Standing Order Incentive Program (the "Initial Program"). The amendments to the Initial Program (such amendments, together with the Initial Program, the "Amended Program") are set forth as Appendix A. A complete description of the Program is included and segregated as Appendix B, for which the Exchange seeks confidential treatment. The Program will be effective on March 17, 2026. The amendments (1) make Participants that connect to the Exchange via an ISV eligible to participate in the Program, and (2) permit periodic updates to eligibility criteria and incentive structure.

This Amended Program is being adopted pursuant to and in accordance with the Exchange's Rulebook 3.11 (Incentive Programs), which authorizes the Exchange to designate Participants and Authorized Users as Incentive Program Participants subject to specified qualifications, obligations, and benefits. The Amended Program is being implemented to continue to increase market depth, participation, and liquidity on Polymarket US, consistent with Core Principle 4 (Prevention of Market Disruption), Core Principle 9 (Execution of Transactions), and Core Principle 12 (Protection of Markets and Market Participants). The effective terms of the Amended Program will be posted and publicly available on the Exchange's website every week.

The Exchange certifies that the Amended Program complies with the CEA, CFTC regulations, and the Core Principles. The Amended Program is designed to promote fair and orderly markets, is not designed to permit unfair discrimination among market participants, and does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange's Control Desk in conjunction with the National Futures Association ("NFA") as the Exchange's Regulatory Service Provider, actively monitors for trading abuses and will take appropriate action against any Program Participant engaging in market abuses. Trading activity that violates the Exchange Rulebook will be disqualified from awards under the Amended Program.

The Exchange is not aware of any substantive opposing views to the Amended Program. The Exchange certifies that, concurrent with this submission, a redacted version of the Amended Program was posted on Polymarket US's website, and is accessible at: www.polymarketexchange.com. Please direct any questions regarding this submission to Andrew Clifford, Chief Compliance Officer QCX LLC (andrew.clifford@qcex.com).

Polymarket US

Respectfully submitted,

Andrew Clifford
Chief Compliance Officer

Appendix A
Amended Standing Order Incentive Program

Program Purpose
The purpose of the amended Standing Order Incentive Program (the "Amended Program") is to continue to increase market depth, participation, and liquidity on Polymarket US. Greater market depth and liquidity benefit all Participants by enhancing price discovery, providing markets for larger quantities of contracts, and lowering costs for position accumulation.

Eligible Participants
This Amended Program applies to all Eligible Participants. Eligible Participants are Participants who (i) are direct clearing Participants that connect to the Exchange directly or via an independent software vendor ("ISV"); (ii) are in good standing; and (iii) meet any other eligibility criteria as Polymarket US may implement in its sole discretion, provided such eligibility criteria shall be posted publicly on the Polymarket US website (the "Website"). For the avoidance of doubt, the following Participants are not Eligible Participants: (i) Participants subject to executed designated market maker, market maker, liquidity provider, or liquidity scoring agreements with Polymarket US; (ii) Introducing Brokers ("IBs") or Futures Commission Merchants ("FCMs"), and customers thereof when transacting via the IB or FCM. There is no limit to the number of Eligible Participants in the Amended Program. All Eligible Participants will be automatically enrolled for each incentive period.

Amended Program Effective Dates
The start date of this Amended Program shall be the effective date of this Notice, which is 10 business days following its certification to the Commodity Futures Trading Commission. The Amended Program will continue for a maximum of two years. The Amended Program may apply to some or all Polymarket contracts as identified on the Website. For the avoidance of doubt, Polymarket US may, at its discretion, announce separate effective dates for different contracts or terminate the Amended Program for individual contracts.

Amended Program Terms
During the Amended Program, Polymarket US will identify and publish on the Website the contracts included in the Amended Program and the total award amount per contract or contract group. To incentivize standing order placement during certain illiquid or high volatility periods, Polymarket US will also publish on the Website periods when "premium multipliers" will be applied. Payments will be calculated within 24 hours and credited to Eligible Participant accounts within 72 hours after each incentive period ends.

Terms and Conditions
All Eligible Participants will automatically participate in the Amended Program. Polymarket US is the sole arbiter of the Amended Program, these Terms and Conditions and any dispute or not covered by these Terms and Conditions, will be resolved by Polymarket US in its sole discretion. Polymarket US may modify the Amended Program, and/or amend these Terms and Conditions at any time. In the event the Amended Program or these Terms and Conditions are amended Polymarket US will post notice of the changes on the notices section of the Website. Polymarket US reserves the right to cancel or withdraw the Amended Program if it suspects abuse or fraud of the Amended Program with all Eligible Participants involved subject to review by the Compliance Department. Should Eligible Participants fail to comply with any provision of the Polymarket US or Polymarket Clearing Rulebooks, they may, in the Exchange's sole discretion, be excluded from eligibility in the Amended Program.
